

## HEAL THE SICK

If the person you are praying for lets you know they are sick or have a medical condition, ask if they would like to receive prayer for healing.

Ask him/her some of the same questions Jesus asked, for example:

(A) "Do you want to get well?"

(B) "What would you like God to do for you?"

(C) "Do you believe Jesus is able to heal you?"

(D) "If Jesus is willing to heal you at this time, will you accept His healing now and in the way He chooses to bring it?"

If appropriate ask, (E) "May I place my hands on your shoulder as we pray?"

If the answers to the above questions are all "yes," pray something like this:

*"We agree Lord Jesus, if this is what you desire to do at this time we accept your healing for (name) and say to (name of illness) be healed in the name of Jesus Christ. We cancel your influence and effects and command you to leave now in Jesus' name. Come Holy Spirit, fill them with your presence and light, and completely restore every part of their being in Jesus' name. Amen."*

Ask them (F) "What is happening, what are you experiencing, and what thoughts are coming to mind?"

If necessary, ask Jesus to reveal anything that would keep them from experiencing His healing and freedom. Pray this way,

*"In Jesus' name, we command anything hidden or hindering their healing to come into the light of Christ and His truth."*(G)

Again, after asking Jesus to reveal what is hindering their freedom or healing, and using His authority, ask them, *"What comes to mind and/or is there anything you're believing that might be hindering your healing?"*

Listen, and then begin to test, (H) explore, and resolve those things that are revealed in the Light of God's truth and through the counsel of the Holy Spirit. (I)

Continue and persevere until there is healing a/or peace. (J)
